

# FP8K-DX & FP8K-DX-XLT Deluxe Four Post Storage / Service Lifts

## 8,000 lb. Capacity

The TUXEDO FP8K-DX & FP8K-DX-XLT 8,000 lb. Deluxe Four Post Lifts are durable high-quality, cable pull vehicle lifts, designed for storing, inspecting & servicing most Cars, SUVs, Vans & Trucks, while also providing space-saving parking solutions for most residential garages & shops. The FP8K Deluxe models include Drip Trays, Jack Tray & Poly Caster Kit, while incorporating the latest in design & safety features with reliable hydraulic operation, durable mechanical cable lift system with slack-cable safety devices and cable pulley shaft design with grease fittings to assist extending the life of the lift. The FP8K Deluxe Lifts come in two model sizes, the FP8K-DX 'standard' for small to mid-sized vehicles, while the FP8K-DX-XLT 'extended' provides additional lift height, width & length for larger vehicles. Easy lift operation is provided with single point mechanical lock release and a 115V electric / hydraulic high-quality power unit, while also having the option either to anchor the posts to the floor or keep mobile, using the Poly Caster Kit. With durable powder coat finish, wide diamond plate runways, front & rear wheel stops & adjustable lock stops for easy runway leveling, the FP8K lifts are economically priced with all the features, all for an unmatched value!
